

2015-2016

Policies and Benefits Surveys

For more than **40** years, the Manufacturer & Business Association has offered its members a variety of options when it comes to their survey needs. Our members have relied on our surveys to deliver up-to-date, accurate *compensation and benefits* information to help them stay on top of today's labor market trends.

Do you want to know how many companies are drug testing their employees, what percentage of premiums companies are paying for their employees' health-care benefits or how often you should provide service awards? Our *2015-2016 Regional & National Policies and Benefits Surveys* each contain more than 300 questions and answers.

2015-2016 Regional & National Policies and Benefits Surveys

More than 34 companies in northwest Pennsylvania participated in the regional survey and more than 1,900 organizations across the country participated in the national survey.

Reported data includes:

- Total respondents' data by employee group
- Breakouts by company size
- Breakouts by employee group:
