II. UNDERWRITING REGULATIONS

A. Initial Enrollment Procedures

New Members - New members may enroll for the Delta Dental group programs on the first day of the month following membership approval by the Board of Governors.

B. Enrollment/Open Enrollment Procedures

1. Delta Dental offers an open enrollment period for employees who want to become part of the plan after their standard eligibility waiting period. This open enrollment will occur each year, two months prior to the May 1st renewal of the products (March 1st through April 30th).

2. The standard eligibility waiting period is the employee’s hire date. Eligibility is within the purview of the employer. Possible eligibility waiting periods are the first of the month following the employee’s date of hire, the first of the month following 30 days of employment, the first of the month following 60 days of employment, or the first of the month following 90 days of employment. Eligibility waiting periods vary by employer.

3. If an employee would like to request insurance coverage, they must complete an enrollment form (supplies can be received by contacting Manufacturer & Business Association at (800) 815-2660 or your insurance agent). Have the employee sign the form and mail it to the billing office:

   Manufacturer & Business Association Insurance Plan
   P O Box 26908
   San Francisco, CA 94126

Please Note:
If an employee declines to enroll himself and/or his dependents for dental coverage when first eligible, the employee and/or his dependents must wait until the next open enrollment period to enroll.
C. **Eligibility**
Association member firms with two or more full-time employees.

D. **Change of Option Procedures**
Existing members currently enrolled should notify their broker or the Manufacturer & Business Association (800) 815-2660 if a change in benefit is desired.

E. **Contributions**
Employee dental coverage is considered non-contributory and must be employer paid with 100% participation. Spousal coverage opt-outs will be considered but the participation requirement must not be less than 75% of eligible employees. Dependent coverage may be contributory (but not to exceed 50% of the actual cost).

III. **MANUFACTURER & BUSINESS ASSOCIATION INSURANCE PROGRAM BILLING, ADMINISTRATIVE FEES AND PROCEDURES**

Billing and administrative services for the Manufacturer & Business Association Insurance Plan are provided through Allied Administrators. The schedule of fees applied to the monthly premium billings is as follows:

A. **Service Charge**

1. A basic charge per group of $4.00.
2. $0.35 per participating employee.

B. **Premium Due Date** - Premium payments are due and payable by the 25th day of the month of billing.

C. **Checks are to be made payable to:**

    Manufacturer & Business Association Insurance Plan

    And mailed to:

    Manufacturer & Business Association Insurance Plan
    P O Box 45108
    San Francisco, CA 94104-0001

    A $35.00 charge for returned checks will be applied.
D. **Member firms** must submit, in writing, all requests for administrative changes regarding company name, address, telephone number, ownership and billing correspondence to:

The Manufacturer & Business Association  
2171 West 38th Street  
Erie, Pa. 16508

E. **Premium invoices** will be mailed to member companies only.

Any problems or questions relating to billing should be directed to Allied Administrators at **(877) 496-3505**.

F. **Eligible Members**
   - Employee/subscriber
   - Employee’s spouse
   - Unmarried children up to the end of the month they attain age twenty-five (25)
   - Unmarried children who become mentally or physically disabled and incapable of self-support before age twenty-five (25) while covered by this Contract or another contract
   - Children who are subject to a Qualified Domestic Relations Order
   - Newborn children of any covered person for thirty-one (31) days after birth

G. **Enrollment/Change Procedures**

1. To add a new employee, complete an enrollment form (supplies can be received by contacting the Manufacturer & Business Association at (800) 815-2660 or your insurance agent). Have the employee sign the form and return it to the billing office.

   Manufacturer & Business Association Insurance Plan  
P O Box 26908  
San Francisco, CA 94126

2. To delete an employee, cross the name from the billing invoice and provide a termination date.

3. To change dependent status complete a revised enrollment card and return it to the billing office.
IV. DENTAL PROGRAM ADMINISTRATIVE PROCEDURES

Delta Dental participating dentists will submit claims for your employees. But, if employees visit a non-participating dentist, they may need to submit their own claim. Employees should follow these easy steps to ensure efficient processing.

1. They should obtain a claim form from the Manufacturer & Business Association at (800) 815-2660 or their insurance agent), or download and print a claim form from Delta Dental’s website at deltadentalins.com.
2. They should present it to the attending dentist when making a first visit. If a pretreatment estimate is necessary, the dentist will submit the claim to Delta Dental in advance of planned treatment. Otherwise, the dentist will perform the service and then submit the claim.
3. If the predetermination process is favorably completed, the form will be returned to the dentist to render the planned treatment.
4. On completion of the covered predetermined course of treatment, the dentist will submit the claim for payment. Delta Dental will pay the attending dentist if he/she is a Delta Dental participating dentist. If he/she is not, Delta Dental will pay the employee for covered benefits.
5. Delta Dental will notify the employee in writing of the amount of benefits which are paid on the employee’s behalf and the amount which the employee must pay (called a Notice of Payment).

All claims are processed at Delta Dental’s regional headquarters in Mechanicsburg, Pennsylvania, regardless of where the employee lives or where the employee received treatment.

The dentist should send the form to:
Delta Dental
P.O. Box 2105
Mechanicsburg, PA 17055-2105

Timely submission of claims is important. Claims submitted 12 months or more beyond the date of service will not be eligible for payment.

Inquires concerning dental benefits and claims must be directed to:
Delta Dental at: 1-800/932-0783
PRETREATMENT ESTIMATE

Please remember: If your employees and their dentists are unsure of your contract benefits for a specific course of treatment, they can make sure with a pretreatment estimate.

If total charges for a treatment plan exceed an amount that Delta Dental establishes ($300), pretreatment estimates are recommended for approval of the charges for payment. The employee should ask the attending dentist to submit the claim form in advance of performing services. Delta Dental will act promptly in returning a pretreatment estimate voucher to the employee and the attending dentist with verification of the patient’s current eligibility and current availability of benefits with applicable maximums. The availability of benefits may change subsequent to the date of the voucher due to a change in eligibility status, exhaustion of applicable benefit maximums or application of frequency of procedure limitations.

PARTICIPATING DENTISTS

Employees may choose a participating dentist from the Delta Dental Premier® or Delta Dental PPOSM programs. The Delta Dental Premier program has Delta Dental’s largest dentist network, paying the higher amount per procedure of the two programs. The Delta Dental PPO network is smaller and the dentists agree to accept less per dental service. Both networks consist of licensed dentists who have entered into an agreement with Delta Dental to abide by Delta Dental’s policies regarding services, limitations on charged fees and other matters pertinent to Delta Dental’s obligations to its subscribers. Names of participating dentists can be obtained, upon request, by calling Delta Dental or by accessing Delta Dental’s website at deltadentalins.com.

PAYMENT FOR SERVICES

Services performed for the employee by Delta Dental PPO ("PPO") dentists are paid on the basis of the lesser of one of the following: 1) a PPO Maximum Plan Allowance, which is usually less than the Maximum Plan Allowance for Delta Dental Premier programs or 2) the dentist’s actual fee. This amount is known as the PPO Allowed Amount. PPO dentists have agreed to accept the PPO Allowed Amount as full payment for services covered by the Contract. Delta Dental calculates its share of the PPO Allowed Amount ("Delta Dental Payment") and sends its share to the participating dentist. Delta Dental advises the employee of any charges not payable by Delta Dental for which the employee is responsible ("Patient Payment"). This is generally the employee’s share of the PPO Allowed Amount – i.e., copayments, deductibles, charges where maximums have been exceeded – and services not covered.

Services performed for the employee by Delta Dental Premier dentists only are paid by Delta Dental on the basis of a Delta Dental Premier Maximum Plan Allowance or the fee charged, whichever is less ("Delta Dental Premier Allowed Amount"). Delta Dental Premier dentists have agreed to accept the Delta Dental Premier Allowed Amount as full payment for services covered by the Contract. Delta Dental calculates its share of the Delta Dental Premier Allowed Amount and sends its share to the participating dentist. Delta Dental advises the employee of any charges not payable by Delta Dental for which the employee is responsible. This is generally the employee’s share of the Delta Dental Premier Allowed Amount – i.e., copayments, deductibles, charges where maximums have been exceeded – and services not covered.
Payment for services performed for the employee by a non-participating dentist is also calculated by Delta Dental on a Delta Dental Premier Allowed Amount basis, but Delta Dental pays its Delta Dental Payment to the employee. The employee is responsible for payment of the non-participating dentist’s total fee, which may include amounts in addition to the Delta Dental Premier Allowed Amount and services not covered by the Contract.

The employee’s total out-of-pocket payment is least if the employee goes to a Delta Dental PPO dentist, is more if the employee goes to a Delta Dental Premier dentist, and likely will be highest if the employee goes to a non-participating dentist.

Coordination of Benefits:
If separate dental benefits are available to the employee, the employee’s spouse, or a dependent child under other programs, there are specific conditions applicable to determination of payment. The ratio of each carrier’s liability to total cost incurred is reviewed. Payment is made according to the “birthday” rule adopted by most insurance carriers, but in no case does Delta Dental pay in excess of its total contractual obligation, if it were the only carrier involved. If the other carrier determines its benefits first, Delta Dental will pay any difference between the amount paid by the other carrier and the charge for the covered service, to the extent of Delta Dental’s benefit for a given procedure.

Work-in-Progress:
Any dental treatment in progress when coverage begins, with the exception of orthodontics, is not covered under the Delta Dental plan, and the former dental plan should assume responsibility. Delta Dental will cover treatment started and completed after the plan’s effective date of coverage.

For orthodontics, Delta Dental takes into account the date that treatment began and the amount already paid toward the treatment.

The orthodontist should submit a claim with the treatment plan, an explanation of the status of the treatment plan, and evidence of the amount paid to date by the enrollee and/or the prior insurance carrier(s).

Delta Dental will review the treatment plan and determine its liability in the absence of other coverage. In the event there is other coverage, Delta Dental will then coordinate benefits by reducing its payment by the amount covered by any previous carriers.

Delta Dental will pay no more than its contracted maximum lifetime amount for orthodontic services minus the previous carrier payments.

Example: The orthodontic treatment plan costs $3,000 for 24 months. Another carrier paid $500. Delta Dental’s liability in the absence of other insurance would be $1,000, the contracted maximum lifetime amount for orthodontic services in this example. In this instance, Delta Dental’s liability is reduced by the $500 paid by another carrier, which makes Delta Dental’s liability $500.
Orthodontic Payments:
When Delta Dental receives a claim for orthodontic services, eligibility is verified and orthodontic claims history is checked (for application of benefit to maximum payments). Delta Dental’s payment amount is then calculated, based on the payment percentage – the Maximum Plan Allowance – and the lifetime maximum for orthodontics.

If the orthodontic treatment is expected to take less than one year to complete, Delta Dental issues the entire benefit/liability for the submitted services in one payment.

For treatment plans expecting to exceed one year in duration, Delta Dental issues 50 percent of its total payment amount at the time of initial process. The remaining 50 percent of Delta Dental’s liability is automatically processed – provided eligibility continues – one year after the initial benefit payment. If treatment ceases during the course of the year for any reason, the employer should notify Delta Dental. There is no need for claims to be submitted monthly.

For example, if the orthodontist submits to Delta Dental a treatment plan that includes such details as cost and duration of treatment, Delta Dental calculates its total liability, assuming that the total liability is at least $1,000. $500 is paid at the initial banding and $500 is automatically paid one year later, provided the patient is still eligible for orthodontic benefits. For treatment scheduled for less than 12 months, Delta Dental would issue the full liability in one payment.

Alternate Treatment:
Dental benefits may be based on the least costly treatment that conforms to generally accepted dental practice.

Orthodontic benefits may be pro-rated for treatment begun before the patient is eligible.

STATEMENT OF COBRA RIGHTS

If you are covered under your company's dental insurance plan, you have the right to choose continuation of coverage if you lose your group dental insurance coverage for any reason other than termination due to gross misconduct. If applicable, your spouse or other eligible dependents covered under your company's group dental insurance plan have the right to continuation coverage for themselves if they lose group dental insurance coverage under the group dental insurance plan for any of the following reasons:

- your death;
- your termination of employment (for reasons other than gross misconduct) or reduction in your hours of employment;
- your divorce or legal separation; or
- your dependent ceases to be a "dependent child" under the terms of the group dental plan.

The continuation coverage will not be conditioned on a physical examination or other evidence of insurability, and will be identical to the coverage provided to similarly situated employees or family members.

Under this law, you must notify your employer within 60 days of the event in the case of divorce, legal separation, or a child losing dependent status under the group. Your employer has 14 days to send you notification of your COBRA rights and the cost, if any, for continuation coverage. You have 60 days to respond from the date of notice or the date of the event, whichever is less. You then have 45 days to pay for any required premium.

The law permits your employer to charge any person who elects to continue coverage 102% of the full cost of the dental plan. If coverage is being continued due to a disability, the law permits your employer to charge 150% of the full cost of the dental plan for the last 11 months of the 29 month period during which the coverage may continue.

The continuation coverage will extend your plan coverage for either 18 months, in the event you lose benefits due to termination of employment (except for gross misconduct) or reduction of hours; or 36 months for your spouse and dependents in the event of your death, divorce, or if a dependent child no longer qualifies as a dependent under the dental plan.

The 18 month coverage period may be extended if an event which would otherwise qualify you or your eligible dependents for the 36 month coverage period occurs during the 18 month period. Coverage cannot continue longer than 36 months from the initial qualifying event except for spouses or dependents, in the case of your entitlement to Medicare.
Also, if you or your eligible dependent becomes disabled within the meaning of the Social Security Act, at the time of the qualifying event and have elected continuation coverage; or while continuation coverage is in effect and if notification is provided to your employer within 60 days of the determination and before the end of the initial 18 month period, continuation coverage for such disabled individual may be extended up to an additional 11 months for a total of 29 months.

Further, continuation of coverage can be terminated sooner than the specified periods if your employer no longer provides a group dental plan, if the premium for such coverage is not paid on time, if you become covered under another group dental plan or if you become entitled to Medicare.
